**79% IN FLORIDA SAY REQUIRE FACE MASKS IN PUBLIC,
CORONAVIRUS HANDLING WEIGHS ON DESANTIS, TRUMP NUMBERS,
QUINNIPIAC UNIVERSITY FLORIDA POLL FINDS;
BIDEN OPENS UP A DOUBLE-DIGIT LEAD IN 2020 RACE**

With a surge of coronavirus cases in Florida making it a hotspot, voters say 79 – 20 percent that people in the state should be required to wear face masks in public, according to a Quinnipiac (KWIN-uh-pea-ack) University poll of registered voters in Florida released today. There is overwhelming support for requiring face masks among all ages and every other listed demographic group.

Eighty-three percent say the spread of the coronavirus is a serious problem in the state, while 16 percent say it is not.

Seventy percent consider the spread of the coronavirus in Florida “out of control.” Twenty-four percent say it is “under control.”

Looking back, 61 percent of voters think Governor Ron DeSantis reopened the economy “too quickly.” Thirty-one percent think he reopened “at about the right pace” and 6 percent say he reopened “too slowly.”

When it comes, however, to whether voters think the governor should issue a stay-at-home order for the state to slow the spread of the coronavirus, they are split. Forty-nine percent say yes, while 48 percent say no.

REOPENING OF SCHOOLS

With the start of the school year approaching, more than six in ten voters, 62 to 33 percent, think it will be unsafe to send students to elementary, middle and high schools in the fall.

Fifty-seven percent think it will be unsafe for students to return to college in the fall. Thirty-seven percent think it will be safe.

Governor DeSantis is pressing to resume in-person classes in Florida for the start of the school year and President Trump is doing the same nationwide. Voters disapprove of those plans by wide margins.

Governor DeSantis’ handling of the reopening of schools: 56 percent disapprove, 37 percent approve.

President Trump’s handling of the reopening of schools: 59 percent disapprove, 36 percent approve.

“DeSantis’ commitment to putting students in classrooms in the fall is a non-starter with voters.

From elementary school kids to collegians, Floridians are saying ‘forget it,’” said Quinnipiac University Polling Analyst Tim Malloy.

CORONAVIRUS RESPONSE

Voters give Governor DeSantis a negative job approval for his handling of the response to the coronavirus, as 38 percent approve, while 57 percent disapprove. In April, 50 percent approved, while 41 percent disapproved.

Voters give President Trump a negative job approval for his handling of the response to the coronavirus; 37 percent approve, while 59 percent disapprove. In April, 46 percent approved, while 51 percent disapproved.

JOB APPROVALS

Governor DeSantis receives a negative 41 – 52 percent job approval, a 31-point swing in the net approval from April when he received a positive 53 – 33 percent job approval rating. Today's numbers are the lowest for DeSantis since taking office in 2019.

“Just a few months ago, Florida was a safe harbor for COVID refugees from up North. Now, it registers a startling number of infections and the numbers say the buck stops at Governor DeSantis' desk in Tallahassee,” Malloy added.

President Trump receives a negative 40 – 58 percent job approval in Florida, down from a 45 – 51 percent approval rating in April.

Senator Rick Scott receives a mixed job approval with 41 percent approving, and 44 percent disapproving.

Senator Marco Rubio also receives a mixed job approval with 40 percent approving, and 44 percent disapproving.

2020 ELECTION

In the race for the White House, former Vice President Joe Biden opens up a big lead over President Trump. Voters back Biden 51 – 38 percent over Trump. In an April 22nd poll, it was close with Biden at 46 percent and Trump at 42 percent.

Democrats back Biden 89 – 2 percent, independents back Biden 48 – 32 percent, compared to 44 – 37 percent in April, and Republicans back Trump 88 – 10 percent.

“The president doesn't escape the shifting moods and concerns of voters in Florida. His sagging numbers are a gut punch from one of the key states he keenly hopes to win,” Malloy added.

BIDEN VS. TRUMP: THE ISSUES

In five direct matchups, the President scores his best numbers on the economy, while Biden holds wide leads on handling a crisis, health care, response to the coronavirus, and addressing racial inequality.

Asked who would do a better job handling ...

The Economy: Trump 50 percent, Biden 47 percent.

A Crisis: Biden 55 percent, Trump 42 percent.

Health Care: Biden 57 percent, Trump 39 percent.

Response to the Coronavirus: Biden 58 percent, Trump 38 percent.

Addressing Racial Inequality: Biden 58 percent, Trump 35 percent.

GOP CONVENTION IN JACKSONVILLE

Voters say 62 – 34 percent they think it will be unsafe to hold the Republican national convention in Jacksonville, Florida in August. Among Republicans, 69 percent think it will be safe, and 26 percent think it will be unsafe.

CONFEDERATE SYMBOLS

A plurality of voters support removing Confederate statues from public spaces around the country. Forty-nine percent support it, while 43 percent oppose it.

The results are identical when it comes to renaming military bases that were named after Confederate generals. Forty-nine percent support it, while 43 percent oppose it.

A majority, 51 percent, see the Confederate flag as a symbol of racism, while 38 percent see it as a symbol of Southern pride.

924 self-identified registered voters in Florida were surveyed from July 16 – 20 with a margin of error of +/- 3.2 percentage points.

The Quinnipiac University Poll, directed by Douglas Schwartz, Ph.D., conducts gold standard surveys using random digit dialing with live interviewers calling landlines and cell phones. The Quinnipiac University Poll conducts nationwide surveys and polls in more than a dozen states on national and statewide elections, as well as public policy issues.
