**IT'S WALKER PLUS SIX ALSO-RANS IN IOWA GOP CAUCUS,
QUINNIPIAC UNIVERSITY POLL FINDS;
CHRISTIE IN 15TH PLACE IN FIELD OF 16**

Wisconsin Gov. Scott Walker leads the pack in the Iowa Republican Caucus, but his support is shrinking among likely Republican Caucus participants, as six other contenders battle for second place, according to a Quinnipiac University poll released today. New Jersey Gov. Christopher Christie is in 15th place, with 1 percent.

Walker has 18 percent of likely GOP caucus participants, compared to 25 percent in a February 25 poll by the independent Quinnipiac (KWIN-uh-pe-ack) University and 21 percent in a May 6 survey.

Jostling for second place are Donald Trump and Ben Carson, at 10 percent each, U.S. Sen. Rand Paul of Kentucky and U.S. Sen. Ted Cruz of Texas at 9 percent each, former Gov. Jeb Bush of Florida at 8 percent and U.S. Sen. Marco Rubio of Florida at 7 percent. Former Arkansas Gov. Mike Huckabee has 5 percent. No other candidate is above 4 percent and 5 percent are undecided.

Trump and Bush top the "no way" list as 28 percent say they would definitely not support Trump and 24 percent say no to Bush. Christie is next on this negative list with 18 percent.

"Those who thought the Republican race in the Iowa caucuses might begin to clarify itself better think again," said Peter A. Brown, assistant director of the Quinnipiac University Poll. "As even more candidates toss their hats into the ring, the race has gotten even more muddled.

"Iowa front-runner Scott Walker, the governor of neighboring Wisconsin, remains in front, but his support continues to drop. Meanwhile, behind Walker are a half-dozen wannabes who are fighting for second place."

-more-

Quinnipiac University Poll/July 1, 2015 – page 2

“In that second-place gaggle is newly declared candidate and billionaire businessman Donald Trump, whose early showing – he is getting one in 10 votes – worries many party leaders. They see him as a potentially disruptive force,” Brown added.

“Gov. Jeb Bush’s formal announcement seems to have inched up his standing, while New Jersey Gov. Christopher Christie may think making his candidacy official will help him climb out of the caucus basement.

“Meanwhile, the candidate other than Walker with the best favorability rating is surgeon and political neophyte Ben Carson.”

Walker has the best favorability rating, 66 – 8 percent, among Iowa likely Republican Caucus participants. He also scores high on personal qualities as voters say 71 – 8 percent he is honest and trustworthy, 75 – 7 percent that he has strong leadership qualities and 71 – 10 percent that he cares about their needs and problems.

Favorability ratings for other Republican candidates are:

- 53 – 31 percent for Paul;
- Negative 42 – 47 percent for Trump;
- 46 – 42 percent for Bush;
- 63 – 7 percent for Carson;
- 58 – 19 percent for Cruz;
- 60 – 13 percent for Rubio;
- 61 – 28 percent for Huckabee
- Negative 25 – 59 percent for Christie.

If Jeb Bush is elected president he would follow different policies from his brother, President George W. Bush, likely Republican caucus participants say 69 – 20 percent.

Voters say 60 – 28 percent that Bush is honest and trustworthy, 68 – 25 percent that he has strong leadership qualities and 55 – 35 percent that he cares about their needs and problems.

From June 20 – 29, Quinnipiac University surveyed 666 likely Iowa Republican Caucus participants with a margin of error of +/- 3.8 percentage points. Live interviewers call land lines and cell phones.

The Quinnipiac University Poll, directed by Douglas Schwartz, Ph.D., conducts public opinion surveys in Pennsylvania, New York, New Jersey, Connecticut, Florida, Ohio, Virginia, Iowa, Colorado and the nation as a public service and for research.
