FOR RELEASE: OCTOBER 22, 2015

CARSON TOPS TRUMP IN IOWA GOP CAUCUS, QUINNIPIAC UNIVERSITY POLL FINDS; BUSH TIED IN SIXTH PLACE WITH 5 PERCENT

With a big boost from women, Dr. Ben Carson leads Donald Trump 28 – 20 percent among Iowa likely Republican Caucus participants, with 13 percent for Sen. Marco Rubio of Florida and 10 percent for Sen. Ted Cruz of Texas, according to a Quinnipiac University poll released today.

This compares to the results of a September 11 survey by the independent Quinnipiac (KWIN-uh-pe-ack) University showing Trump at 27 percent with Carson at 21 percent.

Today, Sen. Rand Paul is at 6 percent, with Carly Fiorina and former Florida Gov. Jeb Bush at 5 percent each. No other candidate tops 3 percent, with 3 percent undecided.

Carson tops Trump 33 – 13 percent among women. Men are divided as 25 percent back Carson and 24 percent go with Trump.

Trump tops the "no way" list as 30 percent of Iowa likely Republican Caucus participants say they "would definitely not support" him for the GOP nomination. Bush is next on this "no way" list with 21 percent.

For 28 percent of Republican Caucus-goers a candidate who shares their values is most important, while 23 percent most want a candidate who is honest and trustworthy.

Carson shares their values, 84 percent of Republicans say, and 89 percent say he is honest and trustworthy, topping the GOP field for both qualities.

"It's Ben Carson's turn in the spotlight," said Peter A. Brown, assistant director of the Quinnipiac University Poll.

"As they've been pondering for six months, many in the political world still are trying to understand Carson's appeal and how someone who seems to be operating outside the traditional news media/political environment is doing so well among the most conservative GOP voters."

-more-

"Today's results show his appeal is especially strong among the state's sizeable white, evangelical Christian community, among whom Carson is receiving 36 percent, twice Trump's 17 percent," Brown added.

"Those who know Carson seem to like him. He has an almost unheard of 84 – 10 percent favorability rating among likely Republican Caucus-goers, compared to Trump's 53 – 43 percent rating. To borrow the line from Madison Avenue, 'Almost no one doesn't like Ben Carson.'"

Carson cares about their needs and problems, 87 percent of Iowa likely Republican Caucus participants say, the highest mark among any GOP candidate.

Trump gets the highest mark for strong leadership qualities, 80 percent, to Carson's 76 percent.

Bush has the right kind of experience to be president, 76 percent of Republicans say, topping Cruz at 70 percent, Rubio at 69 percent, Carson at 57 percent, and Trump at 56 percent.

Iowa likely Republican Caucus-goers give Carson an 84 – 10 percent favorability rating, leading Rubio at 70 – 15 percent, Cruz at 65 – 18 percent and Trump at 53 – 43 percent. Bush has a negative 43 – 51 percent.

Looking at which candidate can best handle different issues, Carson leads in only one area, as 31 percent of Republicans say he can best handle social issues. On handling other issues:

- Trump tops Carson 41 – 12 percent on the economy;
- Trump over Carson 32 – 13 percent on taxes;
- Trump tops Carson 37 – 9 percent on illegal immigration;
- Rubio and Trump are close at 18 – 17 percent, respectively, on foreign policy, with Carson at 9 percent.

From October 14 – 20, Quinnipiac University surveyed 574 likely Iowa Republican Caucus participants with a margin of error of +/- 4.1 percentage points. Live interviewers call land lines and cell phones.

The Quinnipiac University Poll, directed by Douglas Schwartz, Ph.D., conducts public opinion surveys in Pennsylvania, New York, New Jersey, Connecticut, Florida, Ohio, Virginia, Iowa, Colorado and the nation as a public service and for research.
