

---

**FOR RELEASE: APRIL 10, 2024**

**NORTH CAROLINA 2024: TRUMP ON UPSIDE OF TOO-CLOSE-TO-CALL RACE,  
QUINNIPIAC UNIVERSITY NORTH CAROLINA POLL FINDS;  
GOVERNOR’S RACE: STEIN LEADS ROBINSON 52% – 44%**

In a state considered pivotal to the outcome of the 2024 presidential election, President Joe Biden and former President Donald Trump are locked in a race that is too-close-to-call with 48 percent of voters supporting Trump and 46 percent supporting Biden, according to a Quinnipiac (KWIN-uh-pea-ack) University poll of registered voters in North Carolina released today.

Democrats back Biden (95 – 2 percent), while Republicans (94 – 3 percent) and independents (49 – 41 percent) back Trump.

When the matchup is expanded to include independent and Green Party candidates, Trump receives 41 percent support, Biden receives 38 percent support, independent candidate Robert F. Kennedy, Jr. receives 12 percent support, independent candidate Cornel West receives 3 percent support, and Green Party candidate Jill Stein receives 3 percent support.

There is no clear leader in either of these matchups as the leads are within the margin of error.

“With overall voter enthusiasm for Biden and Trump lukewarm at best, close to 1 in 5 North Carolina voters look at third party candidates with open minds and the potential to throw a wrench into the works in a close race,” said Quinnipiac University Polling Analyst Tim Malloy.

**BIDEN VS. TRUMP: THE ISSUES**

Voters were asked who would do a better job handling four issues...

- the economy: 55 percent say Trump, while 41 percent say Biden;
- immigration: 54 percent say Trump, while 42 percent say Biden;
- international conflicts: 51 percent say Trump, while 45 percent say Biden;
- preserving democracy in the United States: 49 percent say Biden, while 45 percent say Trump.

**MOST URGENT ISSUE IN THE U.S.**

Given a list of 10 issues and asked which is the most urgent one facing the country today, the top issues are immigration (23 percent), the economy (22 percent), and preserving democracy in the United States (20 percent).

There are big gaps by party identification.

Among Republicans, the top issue is immigration (43 percent), followed by the economy (31 percent).

Among Democrats, the top issue is preserving democracy in the United States (33 percent), followed by racial inequality (11 percent).

Among independents, the top issues are the economy (22 percent), immigration (22 percent), and preserving democracy in the United States (22 percent).

### **GOVERNOR'S RACE**

In the gubernatorial race, Democrat Josh Stein leads Republican Mark Robinson 52 – 44 percent in a head-to-head matchup.

Democrats (96 – 3 percent) and independents (52 – 43 percent) support Stein, while Republicans (87 – 8 percent) support Robinson.

In a four-way race that includes third-party candidates, Stein receives 48 percent support, Robinson receives 41 percent support, Libertarian candidate Mike Ross receives 4 percent support, and Green Party candidate Wayne Turner receives 2 percent support.

“In the governor’s race, a stunning contrast in values, experience and messaging is on display in a race that sees the Democrat ahead, but only by single digits,” added Malloy.

Voters were asked whether they like gubernatorial candidates Stein and Robinson as people and whether they like their positions on issues.

#### **Like as a person:**

Stein: 45 percent say yes, 13 percent say no, 42 percent did not offer an opinion;

Robinson: 40 percent say yes, 31 percent say no, 29 percent did not offer an opinion.

#### **Like positions on issues:**

Stein: 39 percent say yes, 31 percent say no, 30 percent did not offer an opinion;

Robinson: 40 percent say yes, 40 percent say no, 20 percent did not offer an opinion.

Voters were also asked whether Stein and Robinson are honest, have good leadership skills, care about average North Carolinians, and share their values.

#### **Honest:**

Stein: 42 percent say yes, 23 percent say no, 34 percent did not offer an opinion;

Robinson: 42 percent say yes, 32 percent say no, 26 percent did not offer an opinion.

#### **Have good leadership skills:**

Stein: 47 percent say yes, 23 percent say no, 30 percent did not offer an opinion;

Robinson: 46 percent say yes, 34 percent say no, 20 percent did not offer an opinion.

#### **Cares about average North Carolinians:**

Stein: 52 percent say yes, 25 percent say no, 23 percent did not offer an opinion;

Robinson: 49 percent say yes, 33 percent say no, 18 percent did not offer an opinion.

#### **Shares your values:**

Stein: 38 percent say yes, 38 percent say no, 25 percent did not offer an opinion;

Robinson: 38 percent say yes, 45 percent say no, 18 percent did not offer an opinion.

### **MOST IMPORTANT ISSUE IN GOVERNOR'S RACE**

Given a list of 11 issues and asked which is the most important one in deciding who to vote for in the election for governor, 27 percent say the economy, followed by preserving democracy in the United States (16 percent) and education (13 percent).

There are wide gaps by party identification.

Among Republicans, the top issue is the economy (40 percent), followed by immigration (16 percent) and preserving democracy in the United States (11 percent).

Among Democrats, the top issue is preserving democracy in the United States (24 percent), followed by education (14 percent), the economy (12 percent), and abortion (10 percent).

Among independents, the top issue is the economy (30 percent), followed by education (15 percent) and preserving democracy in the United States (13 percent).

### **JOB APPROVALS**

Voters give President Joe Biden a negative 38 – 60 percent job approval rating.

They give Governor Roy Cooper a positive 51 – 39 percent job approval rating.

Job approval ratings for United States Senators:

- Senator Ted Budd: 29 percent approve, 42 percent disapprove, with 29 percent not offering an opinion;
- Senator Thom Tillis: 31 percent approve, 49 percent disapprove, with 20 percent not offering an opinion.

### **ECONOMY**

Nearly one-third (31 percent) of voters describe the state of the nation's economy these days as either excellent (5 percent) or good (26 percent), while two-thirds (67 percent) describe it as either not so good (30 percent) or poor (37 percent).

A majority of voters (53 percent) think the nation's economy is getting worse, 24 percent think it's staying about the same, and 23 percent think it's getting better.

Six out of 10 voters (60 percent) describe their financial situation these days as either excellent (9 percent) or good (51 percent), while 38 percent describe it as either not so good (26 percent) or poor (12 percent).

“It's a head scratcher when you do the math. Sixty percent of North Carolina's voters say they are doing just fine financially, but a whopping 67 percent say the nation's economy is in bad shape,” added Malloy.

### **ABORTION**

Sixty-three percent of voters think abortion should be legal in either all cases (27 percent) or most cases (36 percent) and 30 percent think abortion should be illegal in either most cases (22 percent) or all cases (8 percent).

1,401 North Carolina self-identified registered voters were surveyed from April 4<sup>th</sup> – 8<sup>th</sup> with a margin of error of +/- 2.6 percentage points.

The Quinnipiac University Poll, directed by Doug Schwartz, Ph.D. since 1994, conducts independent, non-partisan national and state polls on politics and issues. Surveys adhere to industry best practices and are based on random samples of adults using random digit dialing with live interviewers calling landlines and cell phones.
