

FOR RELEASE: MARCH 21, 2019

**BIDEN IS BY FAR THE MOST FAVORED DEM IN NEW YORK STATE,
QUINNIPIAC UNIVERSITY POLL FINDS;
64% OF NEW YORKERS SAY THEY WON'T VOTE FOR TRUMP**

In an early look at possible 2020 Democratic presidential contenders, former Vice President Joseph Biden is “King of the Hill, A No. 1” among New York State voters, with a 62 – 24 percent favorability rating, higher than any other leading Democrat, according to a Quinnipiac University Poll released today.

Vice President Biden led other Democrats in similar surveys by the independent Quinnipiac (KWIN-uh-pe-ack) University Poll in Texas and Florida.

In New York, Biden has the highest net favorability ratings among Democrats and among voters 18 to 34 years old.

With a negative 24 – 49 percent favorability rating, New York City Mayor Bill de Blasio has the worst net score among any Democrat in the survey. New York City voters give their mayor a negative 36 – 48 percent favorability.

President Donald Trump gets a negative 28 – 67 percent favorability rating and 64 percent of New York State voters say they definitely will not vote for him if he is the Republican candidate for president in 2020.

Another 21 percent say they definitely will vote for him and 12 percent say they will consider voting for him. Definitely voting for President Trump are 67 percent of Republicans, 3 percent of Democrats and 16 percent of independent voters.

“It’s no surprise in blue New York that Democrats are eager to send President Donald Trump packing in 2020,” said Mary Snow, polling analyst for the Quinnipiac University Poll.

“But New Yorkers aren’t cutting any slack to their own elected officials looking to replace him. As Sen. Kirsten Gillibrand makes her presidential bid official, her net favorability score is her worst ever.”

-more-

Quinnipiac University Poll/March 21, 2019 – page 2

“For New York City Mayor Bill de Blasio, who hasn’t yet decided whether he’ll run, his statewide net favorability rating is at an all-time low since taking office in 2014,” Snow added.

“While name recognition isn’t helping New Yorkers on the list of 2020 Democratic candidates or potential candidates, it is working to the advantage of former Vice President Joe Biden. His favorability rating is positive across the board except one category: Republicans. But even there, it’s higher than any other Democrat who’s listed.”

New York State voters give Trump a negative 28 – 68 percent job approval rating. Republicans approve 83 – 15 percent and white voters with no college degree are divided as 45 percent approve and 50 percent disapprove. Every other party, gender, education, age, racial and regional group disapproves.

Favorability ratings in New York State for other leading Democrats are:

- 51 – 38 percent for U.S. Sen. Bernie Sanders of Vermont;
- 21 – 22 percent for former U.S. Rep. Beto O’Rourke of Texas;
- 27 – 25 percent for U.S. Sen. Kamala Harris of California;
- Negative 31 – 38 percent for U.S. Sen. Elizabeth Warren of Massachusetts;
- 31 – 28 percent for U.S. Sen. Cory Booker of New Jersey;
- 70 percent haven’t heard enough about U.S. Sen. Amy Klobuchar of Minnesota to form an opinion of her.

Native son and daughters, whether running for president or not, get low favorability ratings from New York State voters:

- Negative 29 – 35 percent for U.S. Sen. Kirsten Gillibrand;
- 42 percent favorable and 45 percent unfavorable for Gov. Andrew Cuomo;
- Negative 31 – 38 percent for U.S. Rep. Alexandria Ocasio-Cortez.

From March 13 – 18, Quinnipiac University surveyed 1,216 New York State voters with a margin of error of +/- 3.8 percentage points, including the design effect.

The Quinnipiac University Poll, directed by Douglas Schwartz, Ph.D., conducts gold standard surveys using random digit dialing with live interviewers calling landlines and cell phones. The Quinnipiac University Poll conducts nationwide surveys and polls in more than a dozen states on national and statewide elections, as well as public policy issues.
