QUINNIPIAC UNIVERSITY POLL

FOR RELEASE: AUGUST 1, 2016

NEW YORK CITY VOTERS GIVE MAYOR BIG THUMBS DOWN, QUINNIPIAC UNIVERSITY POLL FINDS; BUT de BLASIO TOPS STRINGER OR QUINN IN REELECT BID

New York City voters disapprove 51 – 42 percent of the job Mayor Bill de Blasio is doing, close to his 52 – 41 percent disapproval, his worst grade ever, and say 50 – 42 percent that he does not deserve reelection in 2017, according to a Quinnipiac University poll released today.

But Mayor de Blasio tops two potential challengers, City Comptroller Scott Stringer or former City Council Speaker Christine Quinn in Democratic primary and general election matchups, the independent Quinnipiac (KWIN-uh-pe-ack) University Poll finds.

Hypothetical election results show:

- de Blasio gets 43 percent in a Democratic primary, with 19 percent for Quinn and 16 percent for Stringer;
- de Blasio tops Stringer 45 – 32 percent in a head-to-head general election matchup, with Stringer running as an independent;
- de Blasio leads Quinn 43 – 33 percent in a two-way general election matchup, with Quinn running as an independent.

There is a wide racial gap in each matchup as black voters back the mayor by large margins, while white voters back Stringer or Quinn.

“For a mayor going into an election year, this is a disturbing poll. Half of New Yorkers say Mayor Bill de Blasio does not deserve reelection,” said Quinnipiac University Poll Assistant Director Maurice Carroll.

“The plus for Mayor de Blasio is in the political truism that you can’t beat somebody with nobody. So far neither City Comptroller Scott Stringer nor former City Council Speaker Christine Quinn shows much political strength.

“The racial divisions that have marked the mayor’s first term are as strong as ever: de Blasio is exceptionally strong among black voters, exceptionally weak among white voters.”

Quinnipiac University Poll/August 1, 2016 – page 2

New York City voters give Mayor de Blasio a 47 – 44 percent favorability rating, while his possible challengers are largely unknown:

- 63 percent don't know enough about Stringer to form an opinion of him;
- Quinn gets a 32 – 21 percent favorability, as 45 percent don't know enough about her.

New York City voters approve 60 – 34 percent of the job Gov. Andrew Cuomo is doing.

Approval ratings for other New York City officials are:

- 53 – 13 percent for Stringer;
- 40 – 17 percent for Public Advocate Letitia James;
- 29 – 23 percent for City Council Speaker Melissa Mark-Viverito;

Gov. Cuomo and Mayor de Blasio have “honest disagreements,” 46 percent of New York City voters say, while 40 percent say they are involved in a “personal feud.”

Whatever it is, 42 percent of city voters agree more with Cuomo, while 33 percent agree more with de Blasio.

And 60 percent of voters say the conflict hurts New York City.

“How about that edginess the media keeps reporting about between de Blasio and Cuomo? Is it a personal feud or just an honest difference of opinion? Voters are split. But, overall, they think the governor is doing a good job and the mayor isn't,” Carroll said.

Voters say 52 – 41 percent that de Blasio does not have strong leadership qualities, but 51 – 44 percent that he does understand their problems. Voters say 49 – 40 percent that the mayor is honest and trustworthy.

New York City voters are divided 45 – 44 percent on their approval of the way the mayor is handling relations between blacks and whites. He gets negative approval scores in other areas:

- 42 – 49 percent for his handling of crime;
- 37 – 55 percent for handling relations between the police and the community;
- 35 – 43 percent for handling the city budget.

From July 21 – 28, Quinnipiac University surveyed 1,310 New York City voters, with a margin of error of +/- 2.7 percentage points. The survey includes 845 Democrats, with a margin of error of +/- 3.4 percentage points. Live interviewers call land lines and cell phones.

The Quinnipiac University Poll, directed by Douglas Schwartz, Ph.D., conducts public opinion surveys in Pennsylvania, New York, New Jersey, Connecticut, Florida, Ohio, Virginia, Iowa, Colorado and the nation as a public service and for research.
