

FOR RELEASE: AUGUST 1, 2018

**CRUZ HAS SMALL LEAD IN TIGHT TEXAS SENATE RACE,
QUINNIPIAC UNIVERSITY POLL FINDS;
ABBOTT TOPS VALDEZ BY 13 POINTS IN GOVERNOR'S RACE**

There are yawning party, gender and racial gaps as Republican incumbent Sen. Ted Cruz leads U.S. Rep. Beto O'Rourke, his Democratic challenger, 49 – 43 percent in the Texas Senate race, according to a Quinnipiac University Poll released today.

This compares to the results of a May 30 survey by the independent Quinnipiac (KWIN-uh-pe-ack) University, showing Sen. Cruz topping O'Rourke 50 – 39 percent.

Today, Cruz leads 56 – 36 percent among men. Women back O'Rourke 49 – 43 percent. White voters back Cruz 61 – 31 percent. O'Rourke leads 81 – 14 percent among black voters and 52 – 40 percent among Hispanic voters.

Republicans back Cruz 89 – 5 percent, as Democrats go to O'Rourke 90 – 5 percent. Independent voters are split 46 – 46 percent.

Texas voters approve 50 – 42 percent of the job Cruz is doing and give him a 50 – 42 percent favorability rating. O'Rourke gets a 33 – 23 percent favorability rating, while 43 percent of voters don't know enough about him to form an opinion of him.

Immigration is the most important issue in their U.S. Senate vote, 26 percent of Texas voters say, as 23 percent list the economy, 18 percent cite health care and 13 percent point to the U.S. Supreme Court.

“U.S. Sen. Ted Cruz has a slight, by no means overwhelming, lead. Congressman Beto O'Rourke has done a good job making the race competitive. With three months until Election Day, he is clearly in contention. A Democratic victory in the Lone Star state would be a serious blow to GOP hopes of keeping their U.S. Senate majority,” said Peter A. Brown, assistant director of the Quinnipiac Poll. “O'Rourke makes a good impression on voters, but only about half the Texas electorate has formed an opinion of him. Sen. Cruz has a good favorability overall and is the much better known of the two men.”

-more-

Quinnipiac University Poll/August 1, 2018 – page 2

Texas voters say 61 – 33 percent that it is important that the Senate candidate they support shares their views on abortion. Democrats say 68 – 25 percent that it’s important, while Republicans say 63 – 33 percent that it’s important. Shared views are important to independent voters 57 – 39 percent.

Governor’s Race

In the Texas governor’s race, Republican incumbent Gov. Greg Abbott leads former Dallas County Sheriff Lupe Valdez 51 – 38 percent, compared to a 53 – 34 percent Abbott lead in the May 30 Quinnipiac University poll.

Gov. Abbott leads 57 – 33 percent among men. Women are divided with 46 percent for Abbott and 43 percent for Valdez. White voters back Abbott 66 – 26 percent. Valdez leads 69 – 15 percent among black voters and 49 – 36 percent among Hispanic voters.

Abbott leads 91 – 2 percent among Republicans and 50 – 36 percent among independent voters. Democrats back Valdez 87 – 6 percent.

“Gov. Gregg Abbott holds a fairly comfortable double-digit lead,” Brown added.

Texas voters approve 56 – 33 percent of the job Abbott is doing and give him a 51 – 32 percent favorability rating. Valdez gets a 25 – 20 percent favorability rating, but 54 percent of voters don’t know enough to form an opinion of her, virtually unchanged from May 30.

President Trump’s Approval

Texas voters are divided on President Donald Trump as 46 percent approve of the job he is doing and 49 percent disapprove.

Republicans approve 84 – 12 percent. Disapproval is 94 – 4 percent among Democrats and 52 – 43 percent among independent voters.

Texas voters approve 39 – 30 percent of the job U.S. Sen. John Cornyn is doing.

From July 26 – 31, Quinnipiac University surveyed 1,118 Texas voters with a margin of error of +/- 3.5 percentage points, including the design effect. Live interviewers call landlines and cell phones.

The Quinnipiac University Poll, directed by Douglas Schwartz, Ph.D., conducts nationwide public opinion surveys, and statewide polls in Pennsylvania, New York, New Jersey, Connecticut, Florida, Ohio, Virginia, Iowa, Colorado and Texas as a public service and for research.
