

FOR RELEASE: FEBRUARY 21, 2018

**AMERICAN VOTERS STILL WANT TO SEE TRUMP’S TAX RETURNS,
QUINNIPIAC UNIVERSITY NATIONAL POLL FINDS;
APPROVAL DIPS BACK BELOW 40 PERCENT**

With tax season under way, American voters say 67 – 24 percent that President Donald Trump should publicly release his tax returns, according to a Quinnipiac University National Poll released today. Every listed party, gender, education, age and racial group, except Republicans, says Trump should release his tax returns.

President Trump has not released his tax returns because he has something to hide, 52 percent of voters tell the independent Quinnipiac (KWIN-uh-pe-ack) University Poll. Another 19 percent say it’s because he is being audited by the IRS and 14 percent don’t believe either reason.

American voters give Trump a negative 37 – 58 percent approval rating, compared to a 40 – 55 percent rating February 7, in the wake of his State of the Union address. Republicans and white men are the only groups who approve. White voters with no college degree are divided at 47 percent approve and 45 percent disapprove.

Trump has not been loyal to his spouse throughout his marriage, American voters say 56 – 18 percent, with 26 percent undecided. Republicans are the only group to say Trump has been loyal.

Voters also say 66 – 30 percent, including 58 – 37 percent among men, that Trump does not respect women as much as he respects men. Again, Republicans are the only group taking Trump’s side.

“For President Donald Trump, deemed by American voters as perhaps dodging his taxes, disrespectful to women and disloyal to his wife, and pursued by the porn star and the Playboy playmate scandals, the post State of the Union bump goes flat,” said Tim Malloy, assistant director of the Quinnipiac University Poll.

Quinnipiac University Poll/February 21, 2018 – page 2

American voters say 57 – 41 percent that Trump is not fit to serve as president. There is a wide gender gap, with men divided 49 – 49 percent on whether Trump is fit. Women say 65 – 33 percent he is not fit.

There is also a gender gap as voters say 65 – 27 percent that the Trump Administration does not do a good job handling issues that have a significant impact on women. Men say no 59 – 32 percent and women say no 71 – 22 percent.

Voters disapprove 59 – 22 percent of the way the Trump Administration handled the case of Rob Porter, a White House aide dismissed after accusations of domestic violence.

Someone accused of domestic violence by several people should not receive a security clearance, voters say 73 – 17 percent.

Voters say 57 – 40 percent they do not like Trump’s policies and say 61 – 30 percent they do not like him as a person.

American voters say 56 – 36 percent that Trump acts more like an autocrat than a typical American president.

That Russian Thing

American voters think 76 – 18 percent, including 55 – 35 percent among Republicans, that the Russian government did try to influence the 2016 presidential election, the highest number so far for this question.

A total of 68 percent of voters are “very concerned” or “somewhat concerned” that the Russian government might try to interfere in the 2018 elections.

Voters disapprove 57 – 30 percent to Trump’s response to the threat of Russian interference in the 2018 elections.

From February 16 – 19, Quinnipiac University surveyed 1,249 voters nationwide with a margin of error of +/- 3.4 percentage points, including the design effect. Live interviewers call landlines and cell phones.

The Quinnipiac University Poll, directed by Douglas Schwartz, Ph.D., conducts nationwide public opinion surveys, and statewide polls in Pennsylvania, New York, New Jersey, Connecticut, Florida, Ohio, Virginia, Iowa and Colorado as a public service and for research.
