# QUINNIPIAC UNIVERSITY POLL

---

FOR RELEASE: NOVEMBER 13, 2013

## **CHRISTIE, CLINTON TIED IN 2016 WHITE HOUSE RACE, QUINNIPIAC UNIVERSITY NATIONAL POLL FINDS; DEMS LOSE 9-POINT EDGE TO TIE GOP IN 2014 HOUSE RACES**

In an early look at the 2016 presidential campaign, 43 percent of American voters back New Jersey's Republican Governor, Christopher Christie, while 42 percent back former Secretary of State Hillary Clinton, the Democrat, according to a Quinnipiac University national poll released today.

Ms. Clinton has leads of nine points or more against other possible Republican contenders, the independent Quinnipiac (KWIN-uh-pe-ack) University poll finds:

- 49 – 40 percent over U.S. Sen. Rand Paul of Kentucky;
- 51 – 36 percent over U.S. Sen. Ted Cruz of Texas;
- 49 – 40 percent over U.S. Rep. Paul Ryan of Wisconsin.

The gender gap in the Christie-Clinton matchup is obvious: women go to the Democrat 48 – 39 percent while men go Republican 47 – 35 percent. Independent voters go to Christie 48 – 32 percent, with Democrats for Clinton 85 – 6 percent and Republicans for Christie 85 – 5 percent. White voters back Christie 50 – 35 percent with Clinton ahead 77 – 12 percent among black voters and 46 – 38 percent among Hispanic voters.

“It’s a long way off and no one is officially a candidate yet, but the Hillary Clinton-Christie race to the White House is neck-and-neck before the campaign even saddles up,” said Tim Malloy, assistant director of the Quinnipiac University Polling Institute.

“Sen. Rand Paul, Vice President Joseph Biden, those other guys better get cracking or they might as well head back to the stables.”

American voters say 54 – 40 percent that Hillary Clinton would make a good president and say the same about Christie, 49 – 31 percent. But Vice President Joseph Biden, Paul, Cruz and Ryan would not make a good president, voters say.

**-more-**

## **Quinnipiac University Poll/November 13, 2013 – page 2**

Voters are divided 39 – 39 percent on whether they would vote for a Democrat or a Republican in their Congressional district, down from a 43 – 34 percent Democratic advantage in an October 1 Quinnipiac University poll. Independent voters shift from 32 percent for Democrats and 30 percent for Republicans October 1 to 37 – 26 percent Republican today.

Voters still disapprove of Republicans in Congress, 73 – 20 percent, more than they disapprove of Democrats, 62 – 30 percent.

Disapproval runs high for Congressional leaders as well:

- 58 – 26 percent disapproval for House Speaker John Boehner;
- 55 – 31 percent disapproval for House Minority Leader Nancy Pelosi;
- 52 – 27 percent disapproval for Senate Majority Leader Harry Reid;
- 46 – 27 percent disapproval for Senate Minority Leader Mitch McConnell.

“In Washington today, it comes down to who the voters dislike the least,” said Malloy. “There are no heroes.”

### **Gay Discrimination and Immigration**

American voters support 66 – 25 percent, including 53 – 34 percent of Republicans, a bill to ban workplace discrimination against gay men, lesbians and transgender people. There is no group opposed to this bill.

Illegal immigrants should be allowed to stay in the U.S. and eventually apply for U.S. citizenship, 57 percent of voters say. Another 12 percent say illegal immigrants should be allowed to stay, with no path to citizenship, while 26 percent say illegal immigrants should be forced to leave.

From November 6 – 11, Quinnipiac University surveyed 2,545 registered voters nationwide with a margin of error of +/- 1.9 percentage points. Live interviewers call land lines and cell phones.

The Quinnipiac University Poll, directed by Douglas Schwartz, Ph.D., conducts public opinion surveys in Pennsylvania, New York, New Jersey, Connecticut, Florida, Ohio, Virginia, Iowa, Colorado and the nation as a public service and for research.
