

FOR RELEASE: NOVEMBER 14, 2017

**TRUMP APPROVAL RATING AT NEAR-RECORD LOW,
QUINNIPIAC UNIVERSITY NATIONAL POLL FINDS;
ROY MOORE SHOULD DROP OUT, VOTERS SAY ALMOST 3-1**

American voters disapprove 58 – 35 percent of the job President Donald Trump is doing, near his lowest score, a 61 – 33 percent disapproval August 2, according to a Quinnipiac University national poll released today.

Today's approval rating compares to a 56 – 38 percent disapproval in an October 11 survey by the independent Quinnipiac (KWIN-uh-pe-ack) University.

Independent voters, a key voting bloc, disapprove of President Trump 63 – 31 percent. Democrats disapprove 91 – 5 percent. Republicans approve 80 – 11 percent.

In a new low for this measure, only 40 percent of American voters say Trump is fit to serve as president, while 57 percent say he is not fit.

American voters disapprove 79 – 15 percent, including 60 – 32 percent among Republicans, of the way Republicans in Congress are doing their job. Disapproval is overwhelming among every party, gender, education, age and racial group listed.

Voters disapprove 63 – 29 percent of the job Democrats in Congress are doing.

American voters say 51 – 38 percent that they would like to see Democrats win control of the U.S. House of Representatives in 2018.

Voters also say 52 – 39 percent that they would like to see Democrats win control of the U.S. Senate in 2018.

“Must feel like Groundhog Day in Trumpland,” said Tim Malloy, assistant director of the Quinnipiac University Poll.

“President Donald Trump returns from his big Asia trip to find numbers frozen in the negative. Ominously, there is creeping slippage in the base.

“The president may have accomplished something in Asia: 36 percent of American voters say North Korea poses an immediate threat to the U.S., down from 48 percent one month ago.”

-more-

Quinnipiac University Poll/November 14, 2017 – page 2

American voter opinions of most Trump qualities remain negative:

- 58 – 37 percent that he is not honest;
- 59 – 38 percent that he does not have good leadership skills;
- 59 – 39 percent that he does not care about average Americans;
- 65 – 30 percent that he is not level headed;
- 58 – 39 percent that he is a strong person;
- 55 – 41 percent that he is intelligent;
- 62 – 34 percent that he does not share their values.

Roy Moore

American voters say 63 – 23 percent, in questions asked Friday through Monday, that Roy Moore should drop out of the U.S. Senate race in Alabama. Republicans are divided, as 38 percent say he should stay in the race and 42 percent say he should drop out. Every other listed group says by wide margins he should get out.

Voters disapprove 43 – 25 percent, with 31 percent undecided, of the way Republican officials have responded to accusations against Moore. Republican voters are divided, as 31 percent approve and 29 percent disapprove, with 40 percent undecided.

All American voters believe 51 – 19 percent the charges against Moore.

“Roy Moore has to go, say American voters,” Malloy said. “But the only voters who matter are in Alabama.”

Trump and the Media

American voters disapprove 58 – 38 percent of the way the media covers Trump, but trust the media more than Trump 54 – 34 percent to tell the truth about important issues.

Voters say 53 – 42 percent that the media focuses too much on negative stories about Trump, but do not believe 57 – 39 percent that the media makes up negative stories about him.

From November 7 – 13, Quinnipiac University surveyed 1,577 voters nationwide with a margin of error of +/- 3 percentage points, including the design effect. For the 937 voters asked about Roy Moore, the margin of error is +/- 3.8 percentage points, including the design effect. Live interviewers call landlines and cell phones.

The Quinnipiac University Poll, directed by Douglas Schwartz, Ph.D., conducts nationwide public opinion surveys, and statewide polls in Pennsylvania, New York, New Jersey, Connecticut, Florida, Ohio, Virginia, Iowa and Colorado as a public service and for research.
