

FOR RELEASE: JUNE 26, 2018

**KAINE UP 18 POINTS IN VIRGINIA U.S. SENATE RACE,
QUINNIPIAC UNIVERSITY POLL FINDS;
VOTERS HAVE ALMOST 2-1 NEGATIVE VIEW OF GOP**

With a lead among women topping 2-1, Virginia U.S. Sen. Tim Kaine, the Democratic incumbent, has an overall lead of 54 – 36 percent over Republican challenger Corey Stewart, chair of the Prince William County Board of Supervisors, according to a Quinnipiac University Poll released today.

Women back Sen. Kaine 62 – 28 percent, while men are divided 45 – 45 percent, the independent Quinnipiac (KWIN-uh-pe-ack) University Poll finds. White voters go Democratic 48 – 42 percent. Non-white voters go Democratic 68 – 20 percent.

Stewart takes Republicans 82 – 8 percent. Kaine leads 95 – 1 percent among Democrats and 54 – 34 percent among independent voters.

Virginia voters approve 56 – 36 percent of the job Kaine is doing and give him a 51 – 34 percent favorability rating. Stewart gets a divided 27 – 30 percent favorability, with 40 percent who don't know enough about him to form an opinion of him.

The economy is the most important issue in deciding how they will vote for U.S. Senator, 26 percent of Virginia voters say, as 21 percent list immigration, with 20 percent citing health care and 14 percent listing gun policy.

“U.S. Sen. Tim Kaine is in very strong shape for reelection in Virginia, especially among women,” said Peter A. Brown, assistant director of the Quinnipiac Poll.

“Virginia, which was once a solidly red state, has made the full transition to a blue bastion. Voters in the Old Dominion are happy with the way things are going in their state and they give their statewide Democratic office-holders good approval ratings.”

“The office-holder they don't like is President Donald Trump, whose job approval is strongly negative. Voters see candidates who embrace him negatively.”

-more-

Quinnipiac University Poll/June 26, 2018 – page 2

Only 32 percent of Virginia voters have a favorable opinion of the Republican Party, while 58 percent have an unfavorable opinion.

The Democratic Party gets a divided 45 – 46 percent favorability rating.

President Trump, Gov. Northam, Sen. Warner

Virginia voters approve 49 – 25 percent of the job Gov. Ralph Northam is doing and approve 53 – 31 percent of the job U.S. Sen. Mark Warner is doing.

Voters disapprove 56 – 38 percent of the job President Donald Trump is doing.

Virginia voters say 51 – 40 percent, including 49 – 36 percent among independent voters, they would like to see the Democratic Party win control of the U.S. House of Representatives this fall. By a similar 51 – 42 percent, including 50 – 40 percent among independent voters, Virginia voters would like to see the Democratic Party win control of the U.S. Senate.

If a candidate for the House of Representatives strongly embraces President Donald Trump and his views on issues, 48 percent of Virginia voters are less likely to vote for that candidate, as 24 percent are more likely to vote for that candidate and 25 percent say support for Trump will have no impact.

Kaine shares their values, Virginia voters say 51 – 39 percent. Stewart does not share their values, voters say 44 – 28 percent.

Confederate Flag, Monuments

Virginia voters oppose 57 – 33 percent removing Confederate monuments from government property in the state. Support for removing these monuments is 49 – 41 percent among non-white voters, with white voters opposed to removing the monuments 63 – 27 percent.

The Confederate flag is more a symbol of southern pride, 46 percent of voters say, while 42 percent see it as more a symbol of racism. White voters see the flag as more a symbol of southern pride 50 – 37 percent. Non-white voters see it 55 – 35 percent as a symbol of racism.

From June 21 – 25, Quinnipiac University surveyed 1,153 Virginia voters with a margin of error of +/- 3.6 percentage points, including the design effect. Live interviewers call landlines and cell phones.

The Quinnipiac University Poll, directed by Douglas Schwartz, Ph.D., conducts nationwide public opinion surveys, and statewide polls in Pennsylvania, New York, New Jersey, Connecticut, Florida, Ohio, Virginia, Iowa, Colorado and Texas as a public service and for research.
